

本问题是基于之前邀请您参加的分米任务。在之前的任务中，您作为合种的一方做出决策。现在请您作为合种的观察者，评价不同行为有多好、多正确；并猜测其他人的看法。您的猜测越准确，得到的报酬越高。最高报酬为 40 元。

This survey is based on the rice division task you participated in before. In the previous task, you made decisions as a co-farming participant. Now, please serve as an observer of the co-farming, and evaluate how good and right different behaviors are, and guess other people's opinions. The more accurate your guesses are, the higher the reward you will receive. The highest reward is 40 CNY.

合种情景如下：这一家（指向框起的 2 人）家里有 2 个人，每次提供 2 个劳动力去合种地里干活儿；合种伙伴家里也有 2 个人，每次提供 2 个劳动力去合种地里干活儿，现在由这一家（指向框起的 2 人）提出如何分配 50 斤米，请您评价他们提出的 好不好、正确不正确：

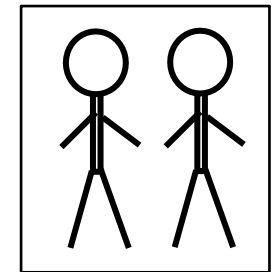

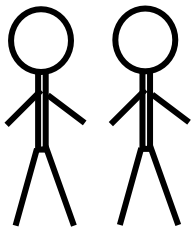

The co-farming scenario is as follows: this household (point to the 2 people in the box) has 2 people in the household, and has contributed 2 laborers to work in the co-farmed land each time; The co-farming partner's household also has 2 people, and has also contributed 2 laborers to work in the co-farmed land each time. Now this household (point to the 2 people in the box) proposes how to divide 50 Jin of rice. Please evaluate whether their proposals are good or not good, right or not right.

1) 不考虑其他人的看法，您自己认为这一家应该提出什么样的分配方式最好、最正确？

Not considering other people's opinions, what do you yourself think is the best, and most right division proposal for this household to make?
